The Institute of Chartered Accountants of Nepal

Online Interaction Program on “Risk Management in Insurance Sector”

Introduction:

The Institute with the objective to enhance professional and subjective knowledge among its Members is going to organize an **Online Interaction Program on Risk Management in Insurance Sector**.

The interaction program will highlight and discuss various risks associated with Insurance Industry at large and will open a floor to discuss remedies measures to reduce those risks at an acceptable level. Members of the Institute whether in Practice or Industry or professionals associated with the Insurance Companies do encounter with some kind of risk associated with the Insurance Sector while discharging their professional duties. Empowering them with the tools and techniques for managing the risks associated to their relevant sector has been one of the priorities of the Institute and this interaction program is one of the initiatives in this regard.

Objectives of the Program:

The main objective of the interaction program:

- i. To provide an understanding about risks associated with the Insurance Sector, with the special focus on the current business and regulatory scenario.
- ii. To discuss on the remedies and action mechanisms to reduce the risks.
- iii. To explore and address current issues associated with risk management in Insurance Sector.

Targeted Group:

- i. Practicing Members
- ii. Members in Industry
- iii. Insurance Industrialist
- iv. Other Members and Stakeholders
