Webinar on Taxing the Digital Economy: International Taxation of Cross-Border Digital Business and South Asian Perspectives

The Institute of Chartered Accountants of Nepal (ICAN), in collaboration with the South Asian Federation of Accountants (SAFA) Committee to study fiscal regimes and other statutory requirements of business in SAARC countries, is pleased to announce a webinar on **“Taxing the Digital Economy: International Taxation of Cross-Border Digital Business and South Asian Perspectives”** scheduled for **Friday, 25 September 2026, from 2:15 PM to 5:15 PM (NST)**.

The webinar will provide a regional platform to discuss emerging international tax issues arising from the digital economy. The program will feature expert insights on international tax challenges arising from digitalization, global developments including the OECD BEPS framework, and the approaches adopted by South Asian countries in taxing cross-border digital business. The webinar will also facilitate the exchange of knowledge and practical experiences among SAFA member bodies.

In this regard, interested members and accounting professionals willing to participate in this webinar are requested to confirm their participation by making registration through the below link:
