4th National Convention of Accounting Professionals

The Institute of Chartered Accountants of Nepal (ICAN), in pursuit of its objective of developing the accounting profession for the cause of economic development of the Country, is organizing "4th National Convention of Accounting Professionals" on Tuesday and Wednesday, Chaitra 26-27, 2081 (April 8-9, 2025) in Nepal Academy, Kamaladi, Kathmandu, Nepal on the theme "Transforming Economies through Modernizing Tax and Public Financial Management (PFM)".

The objective of this Convention is to provide a comprehensive platform for Accounting Professionals, Policymakers, Academicians, Industry experts and Students to share knowledge and insights on the crucial role of modernizing tax systems and public financial management in driving economic transformation. By exploring innovative solutions, discussing policy development, fostering collaboration, and setting the future direction, the Convention aims to enhance the capacity and skills of participants, promote transparency and accountability, and ultimately contribute to the advancement of the accounting profession and economic growth.

The Convention will be addressed by high level dignitaries and national and international eminent personalities as special guests and Speakers. As a valuable audience, you will have an ample opportunity to be part of the policy discourses that the event will accomplish across various spheres of accounting profession and the public financial management practices. We believe that the Convention would be instrumental in enriching yourself with the deliberations and insights through the paper presentation and panel discussion sessions of the Convention. Distinguished Personalities, Spiritual Leader and Celebrated Artists will add further attractions to the Convention, sharing the inspiring experiences and live performances.

In this regard, all members, and students of ICAN, representatives from corporate and business houses and government agencies are cordially invited to participate in this mega Convention of the Institute.
