THE INSTITUTE OF CHARTERED ACCOUNTANTS OF NEPAL

20th November 2026

NOTICE

Call for Expression of Interest (EOI)

Registration of Resource Persons for Outsourcing Service Capacity Development Programmes

The Institute of Chartered Accountants of Nepal (ICAN), through its Outsourcing Service Promotion Committee, is undertaking initiatives to promote Nepal's participation in the growing global outsourcing market by strengthening the knowledge, skills and professional capabilities of accounting professionals in international accounting, taxation and related outsourcing services.

In this regard, ICAN invites **Expressions of Interest (EOI) from qualified professionals, practitioners and subject-matter experts from Nepal and abroad** who are interested in contributing as Resource Persons to its proposed capacity development programmes.

The proposed programmes are expected to cover, among others, the following areas:

- Taxation practices and regulatory frameworks of the United States, United Kingdom, Australia and the United Arab Emirates.
- Accounting and bookkeeping software applications, including QuickBooks and Xero.
- Other relevant areas of international accounting, taxation and professional outsourcing services.

Interested professionals are requested to submit their Expression of Interest through the online registration form, providing details of their professional qualifications, current professional engagement, geographical location, areas of expertise and relevant experience, along with their updated CV/Profile.

Expression of Interest Form: Click here to submit your EOI

The information received will enable ICAN to identify and map relevant domestic and international expertise, establish a resource pool and facilitate structured, practical and internationally relevant capacity development programmes in response to emerging opportunities in the global outsourcing market.

Submission of an Expression of Interest does not constitute an assurance of engagement. Resource Persons will be considered for relevant assignments based on their expertise, experience and programme requirements.

All interested and eligible professionals are encouraged to submit their Expression of Interest and contribute to this initiative.

Thank you
