Notice to Students On Pre-Exam Preparation Test

18 March 2025

This is to notify all the students of CAP II and CAP III level that the Institute is conducting the Pre-exam Preparation Test from April 1, 2025 in the self-assessment model as a part of the preparatory measures targeting the students appearing in Chartered Accountancy examination of June 2025. This test aims to help students assess their level of knowledge and readiness for the actual exams by simulating a real examination environment by themselves on their own. The test is designed to provide students with an opportunity to evaluate their understanding of key subjects and improve their exam-taking skills.

In the Pre-exam Preparation Test, the Institute will provide a set of examination questions of the subject as per the schedule prescribed in [Annexure 1](#). The students can access/download the question through a separate tab of their student login portal. The suggested answers and a marking scheme will be provided after the test to help students analyze their performance. The responsibility to simulate a real examination environment to attempt the question paper and evaluate or analyze the test paper remains with students. The Institute will not evaluate or analyze the test paper or performance of students and will not charge any additional fee from students for the test.

Participation in the pre-exam preparation test is optional, but students are strongly encouraged to give the test to enhance their preparedness as the test will serve as a valuable self-assessment tool. This test is not a substitute of eligibility test as per rule 12 of Nepal Chartered Accountants Regulation, 2061.
